Healthcare Consultancy & Services

ABOUT US

Lifeline is a subscription-based healthcare consultancy and services provider located in Bangalore which aims to provide quality healthcare information and services to its members in association with leading hospitals and other specialist healthcare facilities. It is headed by Suresh Dandu (Ex Air Force) who has more than 12 years of experience in handling ECHS issues especially in Bangalore for the last five years.

No more confusion about policies, referrals, empanelled hospitals, appointments, authorised treatment, medicines, billing etc. Enhance your ECHS/CGHS membership experience by availing readymade healthcare consultancy, and a host of other value-added services both at home and at hospitals at very minimal cost. Support available 24x7 through voice call, SMS, What's app or email.

Lifeline's unique 24x7 support offers its members a stress-free experience of not having to deal with multiple agencies. Reach out to lifeline and let the experts at lifeline provide you tailor made solution to your queries, issues or requirements. Our extensive network of healthcare partners, vast database and committed personnel will be at your service until your issue is resolved.

Do you wish to live a stress free life with your family? If so, choose Lifeline as your personal healthcare partner.
